ORDER

The papers read above relate to the question of grants to the Depressed classes Mission,Mangalore. The Government have carefully considered the report of the Commissioner of Labour on the subject and accept his recommendations mentioned below:-

Koraga Settlement.

A grant of Rs.1,000 to be made to the society for the construction of a well and six houses on condition that the society meets any additional expense involved. One and a half acres of land to be assigned to the society for the purpose on the conditions laid down in G.O.No.2437 Revenue dated the 28th October 1919.

(2) Mr.Raghavendra Rao Panchama Settlement

A grant of Rs.1,000 to be made to the Mission [illegible]

the deepening of the existing wells, the construction of a new well and the erection of 10 additional houses on condition that the society meets any further expense required.

(3) Bijai Settlement

Estimates to be prepared for deepening the two existing wells so as to secure an adequate supply of water, the cost to be met by Government.

(4) Herebail Settlement.

The District Board to be requested to deepen the District Board wells adjacent to the settlement. Estimates to be prepared to deepen the wells of the settlement and the cost to be met by Government.

(5) Puttur Panchama Settlement.

Estimates to be prepared for two wells to be constructed at the cost of Government for the use of the existing settlers on the Government land reserved for houses for panchamas and on that assigned to the mission and to attract further settlers. The mission to be advised that as its finances clearly do not admit of its developing the land assigned to it at Puttur it would be good policy on its part to relinquish that land and to concentrate on the development of the Chivalli settlement and of those near Mangalore.

2. The Commissioner of Labour is requested to ascertain the exact financial liability involved in respect of items 3,4 and 5 above. The proposals regarding the assignment of land to the Koraga settlement should be submitted through the Board of Revenue.

3. The cost will be met by reappropriation from the current year's budget under the head "37 C Miscellaneous Department Commissioner of Labour".

3

4.Orders on the other proposals of the Commissioner of Labour will issue separately.
